### HACRO'S VISION

A world in which everyone on the wrong side of the law has the chance to turn their lives around and lead a full contributing life in society.

### HACRO'S MISSION

HACRO works to offer support for offenders, potential offenders, and their families, to manage positive change in their lives.

We engage with influential partners in the community of Hertfordshire and neighbouring counties.

We work to establish a range of educational and training initiatives with a focus on gaps in provision.

### WORKING FOR OVER 40 YEARS

We started in 1974 to support those working with offenders in the community and in prison. Today our team of around 60 volunteers including over 50 at HMP The Mount, works with offenders, ex-offenders and their families.

HACRO relies entirely on voluntary help and support.

## WHAT DOES HACRO DO?

HACRO aims to educate and train and relieve poverty and sickness among people who are, or have been, in prison and their families. We promote study into and spread information about the prevention of crime. We work in partnership with other agencies and charities to prevent crime. Our work includes:

### SMALL GRANTS

We help offenders on community orders and on licence with small items that make a difference when trying to get life back to normal, like some bedding or clothing, or help towards training.

### MAKING PRISON VISITS LESS STRESSFUL

Our volunteers at HMP The Mount run the tea bar in the Visitors Centre; and help recruit and screen volunteers to work at the prison. In charity and business partnerships in the Visits Hall, HACRO runs the Children's Play Area ; and manages accredited training courses for Baristas in the Coffee Bar (also at HMP Bedford).

## LEAVING PRISON BEHIND

We run a programme of intensive work experience and vocational training in the local community to support prolific offenders in making the radical changes in their lifestyles to become crime free and ready for employment.

### CARING DADS

We help fathers who have been abusive in their relationships to become more child oriented in their parenting.

### BUSINESS TUTORS

Our volunteers on the Business Venture courses at HMP The Mount provide advice and research for men wanting to start their own business on release; and take part in a "Dragons' Den" sessions at the end of each course.

### ANNUAL CONFERENCE & REPORT & WEBSITE

We contribute to the debate on crime prevention issues like restorative justice, and employment and housing for ex-offenders. Our well attended Conferences attract civic leaders, representatives from the Police,

Probation, the Judiciary, local charities, as well as those interested in the criminal justice system. We publish an Annual Report and information is always available on our website [www.hacro.org.uk](http://www.hacro.org.uk)

## PLEASE JOIN US

We value the support of well-wishers and people who believe in our Vision and Mission, but who may not be able, or have the time, to volunteer. Subscribing members give HACRO vital support, which we greatly appreciate.

## VOLUNTEER WITH HACRO

We are always seeking volunteers to help deliver our work in prison and in the community. We particularly need volunteers able and willing to work at weekends (not all our work is at weekends!) at HMP The Mount. If you have administrative and computer skills, like word processing or spreadsheets; or are interested in children and family work; or have business experience and are interested in becoming a Business Tutor at HMP the Mount; or have successful experience in fund raising, including knowing how to write bids for grants – then we would love to hear from you. It's worthwhile and it makes a difference.
